

A Legacy Crafted by Hand

Before the vibrant energy of TONINO
and the heights of the Luna,
there was simply Toni — a man with a
carpenter's precision and a visionary's heart.

The story began decades ago when together
with his son, first looked out over the shores of
Mellieħa Bay.

Where others saw just a plot of land, they saw a
future. With the same hands that mastered wood
and joinery, they built a humble block of eight
apartments, laying the foundation for a family
legacy that would flourish across three
generations.

Through the decades, Toni's son and daughters
helped nurture that dream, and today, his
grandson brings a modern expertise that
continues to push boundaries.

TONINO is more than just a lounge; it is a
tribute to the man who started it all. Our logo,
a nod to his first trade as a carpenter—serves
as a daily reminder of the craftsmanship,
integrity, and hard work that define us.

As you enjoy our curated selection of food and
drink, you are partaking in a story of innovation,
local culture, and a deep respect for the land
we call home.

Welcome to TONINO.
Welcome to the family.
